## ACTIVE TRAVEL

**WEDNESDAY MAY 28TH**  
**DOORS: 6:30**

Whether you are interested in strolling the streets or climbing mountains, this months Destinations is for you.

Our first guest is a mother of two who will inspire you with her journey as she climbed Mount Kilimanjaro. Her story begins years before she ever set foot on the base of the mountain.

Our second guests enjoyed a hiking tour recently to Red Mountain, Utah and will be sharing their experiences with you about a location that offers a variety of activities (hiking, biking, walking, yoga, spa, cooking and photography classes – to name a few) along with excellent customer service.

This place ranks # 71 on Conde Nast Traveler 2013 "Top 270 Spas" list. Come and find out why!
